

toob business broadband charges and fees

This document lists the additional charges and fees which you may incur as part of your business broadband service. These are in addition to your Monthly service fee as detailed in your Service Activation email. The terms relating to these charges can be found in our business broadband terms and conditions. toob may discount or waive these fees at its discretion. These fees may increase from time to time based on any changes in the costs incurred by toob for the related services. All prices exclude VAT.
